Dear Warren Consolidated Schools,

On the bus ride home from school today, a Carleton Middle School student told a few students that he had a gun, which prompted an immediate response from the Warren Police Department who took the student into custody and verified there was no weapon.

This very quick response was made possible by the action of the Warren Consolidated Schools Crisis Response Team who followed district safety protocols, resulting in a speedy resolution without incident.

Like I shared just yesterday, parents, please review with your children the seriousness of saying or writing things that will most certainly get them into trouble at school and on the bus.

If you have any questions, please contact me at 586-698-4093. I appreciate your continued support and again, please talk with your children tonight.

Sincerely,

Robert D. Livernois, Ph.D.
Superintendent
