### **Important Notice on Menu Changes in 2024/25 School Year**

Nation wide, food suppliers face labor shortages and transportation challenges that are adding to costs and limiting supplies. Food distributors expect to run low on everything from canned fruit to lunch trays.

Due to severe labor shortage in our department and food shortages across the nation, WCS Nutrition Services anticipate frequent menu changes in 2024-25 School Year. We may serve different entrees at different elementary schools depending on availability. We will notify schools and district nurses of all menu changes prior to the serving day so proper announcement can be made.
